WHAT IS "VESIRALLI"?

Vesiralli is a versatile swimming course in the big pool. Vesiralli is targeted to children **aged 5 to 12**, who already **have the ability to swim short distances**. The goal is to learn various different skills and abilities in the water, such as diving, swimming, floating and water polo.

In a fun, yet challenging way children learn the basics of different water sports.

WHO IS VESIRALLI TARGETED TO?

All children **over 5-years-old**, who have the ability to swim **25 meters in a deep pool**.

The goal of vesiralli is to create a strong foundation for the future: ensuring the life-saving ability to swim or even continuing swimming as a hobby.

Vesiralli aims to teach the fundamentals, such as body control, breathing and confidence in a water environment.

As body control is one of the main goals in vesiralli, this course fits excellently to all children – not just those who swim as their hobby.
